

NP Meeting

9/11/16

Present: GRD DD OL SC IP RT

Minutes:

1. A discussion took place of the necessity or otherwise of an in-depth viability study of potential sites to be carried out by C. Edwards. It was agreed that GRD would email him about future assistance.
2. Following a request from AL to discuss a particular parcel of land bequested by his father it was agreed that OL and GRD would meet with him.
Action: OL
3. The following were considered with the subsequent actions to take place:
 - A site checklist and assessment matrix to be devised using eggs from other plans
Action: OL DD SC
 - Accurate numbers of housing needs and information on sites with permission given but houses not built to be gained
Action: IP
 - To visit the 1st site together and carry out an assessment. Then divide up the other sites for assessment. OL to inform us of his weekend availability
 - A skeleton draft plan to be drawn up for discussion
Action: OL
 - The website to have all displays from Open Day and a piece in the magazine directing people there
Action: GRD DD
4. The next meeting to be determined when the dates for site assessments have been set.
