

Parish Plan Meeting

20.11.19

Minutes

Present: DD JH AW GRD

1. A discussion took place around the Project Proposal Sheet that will be submitted to the Parish Council for consideration

Action: DD

2. The terms of reference for the steering group will also be produced and presented

Action: JH

3. It was agreed that the key words to reflect the practice of the plan were: to share; to facilitate; to support and to improve. These actions would form the purpose and direction of any future tasks within the co-ordinating role of the group.

4. It was agreed that the Annual Parish Meeting would be an ideal opportunity to launch the Plan publicly as well as rejuvenate that event into a more cohesive and inclusive occasion. There needs to be an overhaul of how reports are presented and to create an atmosphere that is more social and sharing to encourage village attendance. The structure needs to be carefully planned but could be more of an active Fair than a passive reception of information.

5. The Cluster names were re-visited to now read as:

- The Next Generation
- All Saints Church and The Baptist Church
- Community Facilities
- Sports and Leisure
- Highways
- Community Organisations

It was recognised that there would be overlap and that there needed to be an example of how a thread could be established and a project formed. This could be the exploration of making Stradbroke a 'Cycle Welcome' village.

6. In the light of the above discussions it was agreed that the Parish Plan Report could be revised

Action: GRD

7. An article for The Stradbroke Magazine needs to be submitted for the Jan/Feb issue

Action: DD

Date of next meeting: Wednesday, December 11th 7.30pm at Frythe Barn
