## Schedule of Annual Works

Grass & Hedge Cutting

September 2019

### **1. Playing field – off Wilby Road**

Areas to be included:

- Grass slopes either side of pathway between swimming pool and Woodfields
- Area around storage shed
- Area outside fitness track

Schedule of cuts:

Twice monthly during growing season (May to September inclusive)

Plus one cut April and October

Strimming of areas:

To be undertaken at time of cutting including accessible sides of storage shed and equipment around fitness track.

Hedge: to cut back all perimeter hedges and swimming pool car park hedge. Twice per annum.

Ditch: to strim the ditch around the playing field 4 times per annum.

Spraying: sides of fitness track as necessary (contractor to advise which spray will be used)

### **2. Children's Play Park, next to Community Centre, Wilby Road**

Schedule of cuts:

Twice monthly during growing season (May to September inclusive)

Plus one cut April and October

Strimming of areas:

To be undertaken at time of cutting

Trimming back hedge at front of children's play area twice yearly

### **3. Community Centre**

Grassed area in front of and rear of Community Centre

Schedule of cuts:

Twice monthly during growing season (May to September inclusive)

Plus one cut April and October

### **4. Graveyard, All Saints' Church**

Schedule of cuts:

Twice monthly during growing season (May to September inclusive)

Plus one cut April and October

Strimming of areas:

To be undertaken at time of cutting

**ALL GRASS CUTTINGS AND PLANT REFUSE TO BE REMOVED FROM SITE**

## 5. Westhall Play Park and Playing field

Areas to be included:

- Toddler Play Area
- Grassed centre area up to footpaths (excluding verges)

Schedule of cuts:

Twice monthly during growing season (May to September inclusive)

Plus one cut April and October

Strimming of areas:

To be undertaken at time of cutting

## 6. Footpaths

Permissive path – to be cut 4 times a year and sprayed twice a year.

To cut all footpaths listed by Stradbroke Parish Council as instructed by footpath warden.

Quote per cut.

## 7. Health Centre, Wilby Road

Fortnightly: grass cutting, trim sides/front/edges and ditch if needed.

As part of the visit: weed beds when necessary, keep hedge trimmed during permitted season.

## 8. Cemetery, Laxfield Road (Cutting to be carried out with reference to the attached plan)

GREEN AREAS (PATHS) - Twice per month during growing season July to October inclusive  
**Plus** a strip not more than 2 to 3 feet wide up the left hand side of the **blue grave area** on the left of the Cemetery to define the Wildlife Conservation Area.

BLUE AREAS (GRAVES) – Once per month, July to September inclusive.

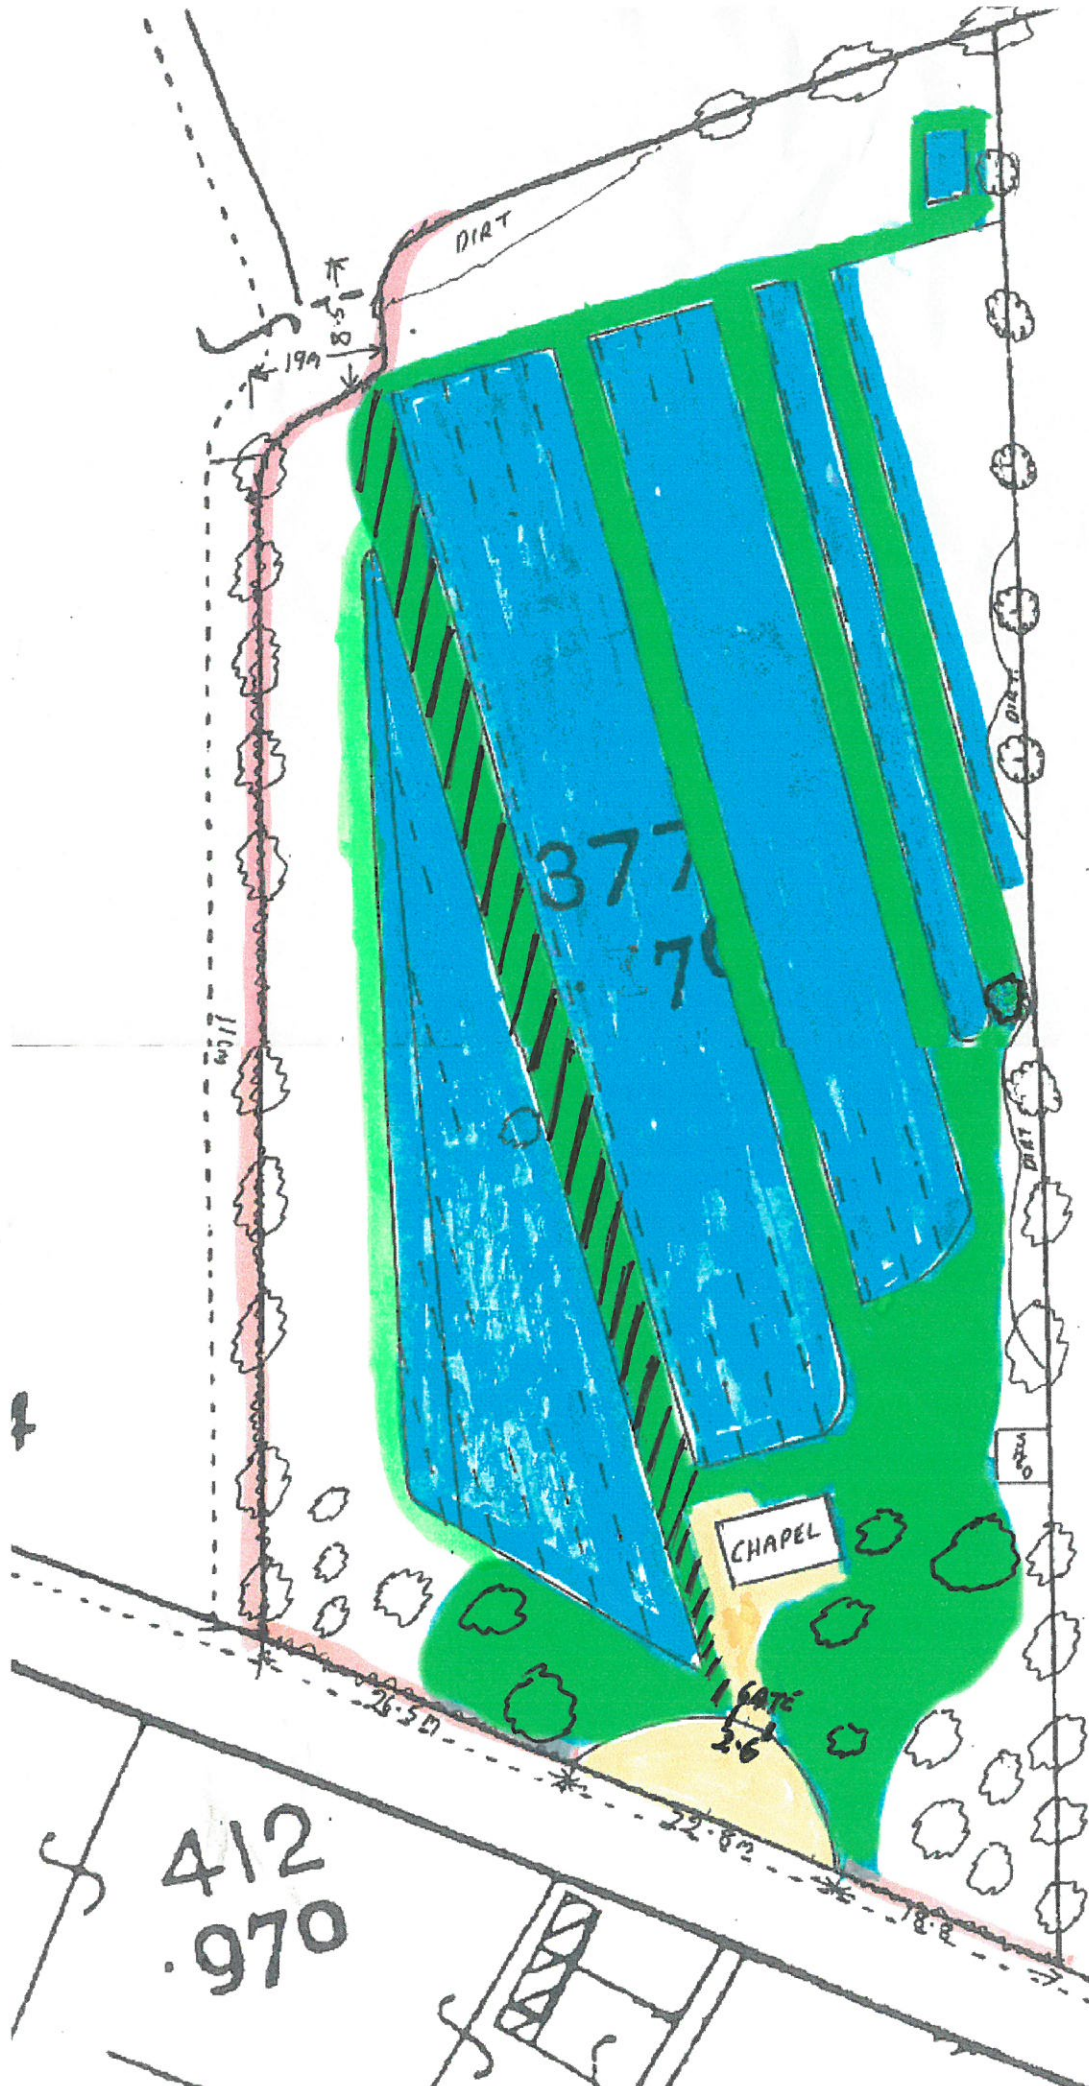

WHITE AREAS (CONSERVATION AREAS) – Twice per year after the flowering season, as this is a Wildlife Conservation Area, end of July and end of September.

YELLOW AREA (STONES) - inside cemetery gates only – gravel area to be sprayed with suitable chemical as and when necessary to keep weed-free.

GREEN AREA STRIPED (STONE PATH) – as above for yellow area.

HEDGES at the front of cemetery trimmed twice a year.

**ALL GRASS CUTTINGS AND PLANT REFUSE TO BE REMOVED FROM SITE**
